House of Flavors Restaurants of Manistee and Ludington has an Opportunity for YOU!

Is your non-profit organization looking for proven ways to raise money and increase awareness? Are you looking for a fundraiser that doesn't require weeks of work and commitment to get started? House of Flavors restaurants of Manistee and Ludington would like to help!

House of Flavors has a long history of supporting and being involved in local non-profits. We strongly believe that a solid non-profit base is critical to a healthy community.

December, 2016 through March 31, 2017 House of Flavors restaurants of Manistee and Ludington are offering you the opportunity to partner in an event that requires very little action on your part. Here's how it works:

- Contact Laura Van Hammen at laura@houseofflavorsrestaurants.com to express interest and determine a date for your fundraiser. Events should be scheduled on a Monday, Tuesday or Wednesday evening.
- Market your event to your data base of volunteers, supporters, sponsors and more – inviting them to eat at House of Flavors that night. Your organization will receive 20% of all food and ice cream sales between 5pm – close on the evening of your event.
- Put together a team of 2 - 3 volunteers to be your advocates at House of Flavors the evening of your event. You'll be working with the House of Flavors team in greeting, seating, clearing tables – but primarily talking to our customers about your non-profit, its purpose, its needs and what we can do to help.
- Put together promotional information, donation cards, & canisters for the tables that night, or to be handed out as people enter or leave your event at House of Flavors.
- Receive your check in the mail. A successful event can raise \$200 - \$500.

If you're interested, please contact us now. Dates are being reserved. We want to help. It's through the sharing of responsibilities that money is raised. We look forward to
